EXCISE DEPARTMENT.

Notification No. R. Dis. 54-21, dated 22nd April 1922.

With reference to the Opium Rules contained in Government Notification No. R. 5149—Ex. 6-21-23, dated 4th April 1922, the Excise Commissioner, hereby prescribes and publishes under Rule XXX, the following subsidiary rules and forms, in supersession of all previous ones. The rules will come into force from 1st July 1922.

I. Licenses for retail vend granted by the Deputy Commissioner shall be in form I, annexed. A counterpart of each license shall be executed by the licensed vendor and filed in the office of the Deputy Commissioner.

Licenses for the sale by druggists of raw opium and admixtures of opium.

II. Licenses for the sale by druggists of raw opium and admixtures of opium for medicinal purposes only may be issued by the Deputy Commissioner in form II. They shall be granted only to respectable persons engaged in the sale of medicines. Every such license shall expire on the 30th June following the date of issue.

III. The fee for each such license shall ordinarily be Re. 1 per annum, but no fee will be charged for the grant of a druggist's license to a person holding a dealer's license or a Chemist's license under the Dangerous drugs rules, and a druggist's license will ordinarily be granted to every such person who desires one.

NOTE:—Druggist's licenses for dealings in raw opium and admixtures of opium will not be required by the officers in charge of State, charitable or other institutions admitted by the Excise Commissioner to the benefit of the exemptions notified as permissible in respect of such dealings by them.

IV. In order that licensed druggists may be exposed as little as possible to the temptation of using their licenses as a cloak for the surreptitious sale of raw opium and its admixtures for non-medicinal purposes, and thus competing with licensed vendors to the detriment of the revenue, they will ordinarily be required to obtain their supplies of raw opium from licensed retail vendors. Special authorities to obtain supplies from other sources should be most sparingly granted by the Deputy Commissioner.

VI. The acknowledgment to be given, by a licensed druggist or a person in charge of an exempted institution, to a licensed vendor for raw opium purchased from him shall be in the following form, *viz.*, "I.....(1) *holding a druggist's license for the sale for medicinal purposes at.....(2) of raw opium and its admixtures (or being in charge of.....(3)" which has been admitted by the Excise Commissioner to the benefit of exemption) hereby acknowledge having purchased from.....(4) licensee for the retail sale of opium.....(5 and 6) tolas of raw opium this..... day of.....192 .

VII. Unless specially exempted from doing so, by the order of the Deputy Commissioner endorsed on his license, every licensed druggist shall maintain and shall sign daily a daily account of all raw opium and admixtures of opium manufactured, possessed, sold or supplied by him. A separate set of pages shall be set aside for raw opium and for each admixture of opium dealt in under the license. The account shall be in from III and printed books containing these forms shall be supplied by the Deputy Commissioner to licensed druggists on payment of such price as may be fixed from time to time.

VIII. The Deputy Commissioner may apply through the proper channels to the Hon'ble the Resident in Mysore to grant to any licensed druggist or person in charge of an exempted institution a pass for the import from beyond seas or for the import from or transport through British India or for the import from a Native State of admixtures of opium for medicinal use not exceeding the quantity which such licensed druggist or person may lawfully possess.

IX. Stocks of opium will be maintained at Taluk offices wherever the Deputy Commissioner may so direct for supply to licensed vendors, or licensed druggists.

X. No opium shall be removed from a taluk office, until a pass for its removal has been obtained from the officer in charge of the Taluk Treasury.

XI. The issue price of opium shall be paid before its removal from the taluk office at such rate as may be fixed and notified into the treasury at which the purchase is to be made.

XII. Opium will be issued from taluk office in entire cakes of 20 or 40 tolas, and no allowance will be made for any excess or dryage in the cakes.

XIII. A licensed vendor, or a licensed druggist, when specially permitted, desiring to procure opium from a taluk office must first pay the issue price at the prescribed rate into the Government Treasury of the taluk in which his shop is situated, or with the permission of the Deputy Commissioner into any other treasury in the District. He will present with the money a chellan which may be obtained from the Treasury officer. The latter, after assuring himself that the applicant is a licensed vendor, or a licensed druggist will grant him a receipt.

NOTE:—The treasury officers will be furnished from time to time by the Deputy Commissioner with a list of the licensed vendors to whom alone opium may be supplied.

XIV. The officer will thereupon issue the opium and grant a pass signed by the Amildar or in his absence by the Taluk Sheristedar.

XV. Packing charges at taluk office, in respect of opium issued otherwise than on Government account must be defrayed by buyers before removal. Purchasers of opium should make their own arrangements for its removal from taluk office.

XVI. Any person found guilty of any breach of the opium Act, 1878, or of any rule framed thereunder or otherwise committing any offence in respect of the taluk office, or of the taluk officials or of any property contained in the taluk office, may be excluded from the taluk office by order of the officer in charge.

SUBSIDIARY RULES RELATING TO DANGEROUS DRUGS (MEDICINAL OPIUM, MORPHINE, HEROINE AND COCAINE.)

Notification No. R. Dis. 55-21, *dated* 22*nd April* 1922.

In exercise of the powers vested in him by Rule 29 of the Mysore Dangerous Drugs Rules, published in Government Notification No. R. 5161—Ex. 6-21-24, dated 4th April 1922, on pages 35 to 40 of the *Mysore Gazette*, dated 20th April 1922, Part III, and with reference to Rules 17, 18, 21 and 25 of these rules, the Excise Commissioner hereby prescribes the following forms and conditions for the grant of licenses for the vend of dangerous drugs and of passes for the transport of these drugs. They will come into effect on 1st July 1922.

1. "Licensed dealers'" licenses and "Licensed chemists' licenses' shall be in Form I and Form II respectively hereto attached. Every such license shall expire on the 30th June next following the date of issue.

2. The fee for each such license shall ordinarily be Re. 1 per annum, but—

(*a*) no fee will be levied on licenses granted to officers in charge of medical institutions maintained by the Government;

(*b*) the Excise Commissioner may remit the fee in the case of licenses granted to persons in charge of charitable medical institutions;

(*c*) no fee will be charged for the grant of a dealer's license to a person holding a chemist's license.

3. In the case of licenses granted free of charge under clause (*a*) or (*b*) of the foregoing rule to officers or persons in charge of medical institutions, the license should be made out in favour of the officer or person by virtue of his office, and not by name.

4. If any such medical institution comprises more than one dispensary situated on the same premises (*e.g.*, a sale dispensary, an out-patient's dispensary, etc.,) a single license in Form II will suffice to cover all such dispensaries, a separate license in Form I being taken out to cover the main store from which the dispensaries are supplied. But a note should be made on the license in Form II by the licensing officer to the following effect. "This license covers the following dispensing institutions situated on the premises, *viz.*—

Note.—(i) For a branch dispensary situated in entirely separate premises, a separate license will be required.

(ii) For drugs actually used by an approved practitioner in his practice (and not merely dispensed on his prescription) no license is required (*vide* Rule 6 of the Dangerous Drug Rules). Accordingly, no license is needed for drugs actually used in the operation room of a medical institution in charge of an approved practitioner.

5. If in any case the quantities of drugs specified in condition 3 of the license form are in his opinion inadequate, the Deputy Commissioner should refer the matter, with his recommendation as to the increased quantities to be authorized, for the orders of the Excise Commissioner. Any increased quantity which may be authorized by the Excise Commissioner should be endorsed by the Deputy Commissioner in the space of the foot of condition 3 of the license, the number and date of the Excise Commissioner's orders being cited, and the endorsement being signed by the Deputy Commissioner.

6. (*a*) The accounts required by condition 6 of the licensed dealer's license and of the licensed chemist's license shall be in Form III and IV respectively hereto attached, books of which shall be supplied by the Deputy Commissioner on payment of such price as may be fixed from time to time.

(*b*) A separate set of pages shall be set apart for each drug possessed under cover of the license.

(*c*) Each transaction shall be recorded as it occurs and the account balanced.

(*d*) When drugs are manufactured otherwise than for immediate sale, supply or dispensing (for instance in the preparation of a standard solution) the quantity of dangerous drugs used in manufacturing the same shall be shown on the appropriate page or pages in column 6, the name and quantity of the drug manufactured and the number of the page on which transactions relating to it are recorded being entered in column 8 on the same page, and the entry signed by the manufacturer. The quantity of drug manufactured shall at the same time be recorded in column 3 on the appropriate page, the word "manufactured" and the number or numbers of the page or pages on which transactions relating to the drugs used in manufacture are recorded being entered in column 4.

(*e*) If a dealer's license and a chemist's license are held by the same person or institution, the drugs intended for use under each license shall be stocked separately, and drugs transferred from the "dealer's stock to the "Chemist's" stock shall be entered on the appropriate pages in column 6 of Form III and in column 3 of Form IV. In column 8 of Form

III shall be entered the word " transferred to chemist's stock " and the number of the page of Form IV on which the corresponding entry appears, and the entry shall be signed by the person making the transfer, and also by the person in charge of the " chemist's " stock of the " dealer's " and the " chemist's " stock are in the direct charge of different persons.

(*f*) In the case of medical institutions comprising two or more dispensaries on the same premises, a separate account in Form IV shall be maintained for each dispensary covered by the license (*vide* Rule 4), and in the case of drugs issued to them the appropriate entries in column 8 of Form III will be " transferred to sale dispensary," " transferred to outpatients' dispensary," " transferred to operating room," or as the case may be.

Note.—For drugs issued for use in the operation room of an institution in charge of an approved practitioner an account in Form IV need not be maintained.

(*g*) Every entry in column 6 of the register in Form III or Form IV maintained by a licensed dealer or licensed chemist shall be authenticated in the last column by the signature of the person by whom the drug is supplied or dispensed and also by the signature of the person to whom it is actually delivered, if literate. If, in the case of drugs supplied by a licensed dealer, such person be a person other than the person whose name appears in column 8, the order or acknowledgment for the drug of the person whose name appears in column 8 shall be filed by the licensed vendor after being marked by him with a serial number, which number shall be entered by him in column 10 of Register III. Such orders or acknowledgments shall be produced by the licensed dealer, together with his accounts, on the demand of any officer authorized to demand inspection of his accounts.

(*h*) Every licensed chemist shall maintain a prescription book in Form V hereto attached which shall be supplied by the Deputy Commissioner on payment of such price as may be fixed from time to time and shall enter in it full particulars of each prescription containing dangerous drugs dispensed by him. To each entry shall be allotted a serial number, and the same serial number will be entered in column 10 of Form IV against the drugs dispensed.

NOTE.—In case where the original prescription is retained by the licensed chemist and filed in pursuance of the next following rule, the prescription need not be copied in column 5 of the prescription book, the entry in which will be " original prescription filed."

(*i*) Every prescription retained by a licensed chemist under condition 5 (*b*) of his license shall be filed by him, after being marked by him with the serial number allotted to it in the prescription book, and shall be produced, together with his accounts, on the demand of any officer authorized to demand inspection of his accounts.

7. Any licensed dealer or licensed chemist who desires to import dangerous drugs may do so after obtaining the necessary Resident's pass through the Excise Commissioner.

8. Any licensed dealer or licensed chemist who desires to transport dangerous drugs under rule 24 must obtain from the Deputy Commissioner a transport pass which shall be in form VI.

OFFICE OF THE INSPECTOR-GENERAL OF EDUCATION.

Notification D. No 87 *of* 1*st May* 1922.

Mr. Naganika Yayaman, son of Mr. Hedatale Basava Naika, Gundlupet is appointed a member of the School Attendance Committee in connection with the Scheme of Compulsory Education, *vice* Mr. V. K. Nanjunda (under para 11 (6) of the Rules).

Notification D. No. 88, *dated 4th May* 1922.

The accompanying statement showing the full capacity and the number of pupils actually under instruction during 1921-22 in the several sections of the U. E. Classes in the Government and Aided Collegiate High Schools in the State is published for general information. From a perusal of the statement, it will be seen that there is considerable room for further admissions in a majority of these institutions, in the History sections specially. Parents and guardians of students that are likely to prosecute their studies for the U. E. during the coming year are, therefore, requested to apply to the Head Masters concerned well in time so that the provision made in the several schools may be fully utilised.

Since it is stated that students apply for seats in more than one school at the same time with the result that a good number of them do not turn up at the time of admission, thus hampering the work of Head Masters in their final selections, the parents and guardians of students are informed that no application for admission will be considered unless it is accompanied by a leaving certificate. Leaving certificates applied for by students in June will accordingly be treated as immediate and granted the same day by the Head Masters, to enable them to seek admission in one or the other of the institutions in time. The leaving certificates and other papers of candidates not selected for admission in any particular school will be returned to them immediately so that they may apply for admission elsewhere.

Additional sections will not be opened in any institute unless the existing accommodation in all the institutions is fully utilised.

3. Not less than two months before the expiry of the term the Registrar shall send to each person entitled to vote for the election of members of the Council, a notice stating the number of members to be elected and requesting that the candidates may be nominated for election within a time (which shall be not less than a fortnight from the date of the issue of the notice) to be named in the notice.

4. Any person entitled to vote may within the period fixed send up a nomination paper containing names of not more than the number of candidates to be elected.

5. On the expiration of the period fixed by the notice, the Registrar, after scrutiny of the nominations received, shall prepare and send to every person entitled to vote, a list of the candidates duly nominated and willing to serve as members of the University Council together with a voting paper, and shall also specify the date fixed for election and the time on the said date by which votes must be deposited with him.

Provided that no election shall be invalid by reason of the non-receipt by any elector of such voting paper.

6. The voting paper must be signed by the voter and shall be placed in a sealed cover superscribed 'Voting paper for the election of members of the University Council' and either delivered in person to the Registrar at the University Office or sent by registered post to him.

Attention is invited to Circular No 3304-4603, dated 5th September 1919, requiring co-operative societies situated in the Districts of Tumkur, Kadur, Shimoga and Chitaldrug to send all their correspondence to the Assistant Registrar, Shimoga Division, Shimoga, and the Co-operative Societies situated in the districts of Mysore, Hassan and Bangalore (except Bangalore City) to send all their correspondence to the Assistant Registrar, Mysore Division, Mysore. This direction is frequently forgotten by many societies and a large number of references are sent to this office which ought to be sent to one or the other of the two Assistant Registrars' offices These references are, as far as possible, disposed of here, but frequently it is impossible to do so for want of connected records and a knowledge of what is being done in the matter by the Assistant Registrars In these circumstances, it is particularly requested that the direction contained in the above circular will be strictly adhered to as it will save unnecessary delay
